

# Swift911

In our efforts to provide more reliable communications with Residents [and Businesses] in the borough, we have implemented Swiftreach Networks, Inc. as our Emergency Notification service provider.

- Swift911™ in its simplest form is a system that makes phone calls to specific people or areas in the event of an emergency or for sharing important information.
- All the calls you receive will have the Caller ID of 'Cornwall Borough' or 'Cornwall Borough Police Department'.
- If you are not receiving these calls, please Register Now below to add or update your contact information. You may also remove yourself from our lists.
